We received your online transmitted document. However, the document has not been filed for the following:

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an administratively dissolved/revoked entity. Names of administratively dissolved/revoked entities are not available for one year from the date of administrative dissolution/revocation, unless the dissolved/revoked entity provides the Department of State with a notarized affidavit stating that they have no intention of reinstating, therefore, releasing the name for use to another entity.

One or more major words may be added to make the name distinguishable.

The document number of the name conflict is L15000094002.
