SUBJECT: THE BRILLANT NATURALISTA
Ref. Number: W16000074165

We have received your document for THE BRILLANT NATURALISTA and your check(s) totaling \$155.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

Florida law does not allow a sole proprietorship to file a conversion. A sole proprietorship is a business owned and operated by one individual. As a sole proprietor, the one individual owner is responsible for making all of the business decisions and all of the debts of the business are considered to be the debts of the one individual owner, as well. The sole proprietorship may or may not conduct business under the one individual owner's legal name. Because the business and the individual are considered as one organization and need each other to co-exist from a legal perspective, a sole proprietorship is not considered a business entity and cannot, therefore, file a conversion under Florida law.

If your sole proprietorship is actually owned and operated by two or more individuals and those individuals serve in the capacity of a partner, your business may not be a sole proprietorship. Your business may meet the definition of a partnership in accordance with Chapter 620, Florida Statutes. Chapter 620, Florida Statutes, allows a partnership to file a conversion. However, the partnership must first file a statement of registration in accordance with section 620.8105, Florida Statutes.

We are enclosing a statement of registration should your business entity meet the criteria of a partnership and you wish to proceed with the conversion. Please note the fee to register a partnership is \$50. To proceed with the conversion, please correct your conversion documents to reflect your current business entity is a partnership and resubmit the conversion documents along with the enclosed registration statement and an additional fee of \$50.

This office strongly suggests that you seek legal advice concerning this matter.

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st,

your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

Please return the corrected original and one copy of your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6052.
