accordance with the **Governing Documents**. The **Company's** members may be (or may become) **Manager's** (and vice versa). No **Manager** has any rights other than those expressly stated in (or allowed by) the **Governing Documents**, unless a particular **Manager** is also a member or also holds another office related to the **Company**, but those rights or preferences only relate to the **Manager** strictly in those capacities.

**ARTICLE VII**

The **Company's** membership interests may be limited in that all membership interests, including every right in or to the membership interests, may be subject to the **Company's** or the members' rights of first refusal if expressed in the **Governing Documents**.

Pursuant to any offering the **Company** makes, each member will have preemptive rights to purchase membership interests in cash pro rata based on the member's membership interest in proportion to the collective membership interests of all the members prior to the offering, except when admitting new members by unanimous vote.

Members may not separately alienate rights contained within membership interests, except as expressed in the **Operating Agreement**.

The members, by a unanimous vote, may include mandatory cash call provisions in the **Operating Agreement**.

The membership interests will have no other limitations other than those specifically mandated by the *Florida Limited Liability Company Act* or as expressed in these articles or the **Operating Agreement**.

The **Company** will exist in perpetuity unless dissolved pursuant to the *Florida Limited*

*Liability Company Act* or as expressed in the **Operating Agreement**.

**ARTICLE X**

The **Company** will clearly stamp all documents evidencing the **Company's** membership interests with legends indicating that the membership interests are issued subject to certain restrictions on transferability as stated in these articles or the **Operating Agreement**, in reliance upon the existence of certain exemptions from federal and state securities laws, and with other rights, limitations, preferences and elections as expressed in these articles or the **Operating Agreement**.

**ARTICLE XI**

The **Company's** existing members may admit additional members to the **Company** upon the written consent of the members representing a majority of the **Company's** membership interests.

**ARTICLE XII**

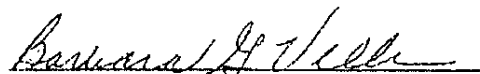

The **Company's** members may amend, supersede or repeal these articles, but only upon the unanimous vote, or written, affirmative consent, of all of the members, except that members may amend, supersede or repeal Article II or Article III upon the majority vote, or written, affirmative consent, of all of the members. The **Company's** managers may not amend, supersede or repeal any of these articles.

**ACKNOWLEDGMENT**

Except to the extent I have done so in writing and with knowledge, I, the **Company's** authorized representative, execute these articles on this day without personally assuming or ratifying any contracts or promises made on the **Company's** behalf by any person or entity prior to this date, if any.
