Re: Sparkling Angels, LLC

I'm writing this letter regarding my business Sparkling Angels, LLC. I applied for my business name in 05/2017. I failed to submit my annual report in 2019 on time. I recently found out online someone by the name of Quenteria Jennings was listed with my business name and my information attached. I spoke with someone at Sunbiz and was informed this individual submitted a report and paid the annual fee. I do not know this individual and have not authorized anyone to submit an annual report or make changes to my business information. I was informed to pay the fee to make the changes needed, send a copy of my identification and a notarized letter. Please make note of this on my Sunbiz account to prevent this issue.
