Dear Tyrone Scott.

Below is a sequence of emails relevant to Ann Morrow's filing for organization of "Private Client Services LLC" and your response notifying her of the reason the filing has not been accepted by the State, in that the name is not available because the earlier filing of that name under document number L15000147861, while administratively dissolved on September 23, 2016, is still tied up for a year past the date of dissolution.

I am the Registered Agent for Private Client Services LLC, document number L15000147861 and am an Authorized Member of the LLC, along with Ann Morrow as the other Authorized Member.

As things turned out, we never activated the LLC and have ourselves dissolved our relationship within the company. With my consent, Ann Morrow is initiating a new LLC under the name Private Client Services LLC, which is with my express consent and permission.

Therefore, the original iteration of the LLC, as registered under document number L15000147861, hereby states that it has no intention of reinstating said LLC and therefore is releasing the name for use by Ann Morrow as a new entity.

Please advise if this communication will satisfy the State's requirements and thus allow for Ann Morrow's new filing to proceed.

Your help with this matter will be greatly appreciated.

Sincerely,

William Waite
