**RE: Request for Revocation of Dissolution – Marea Group, LLC, Document Number L17000130809**

To Whom It May Concern:

The following Statement of Facts are submitted in support of the Articles of Revocation of Dissolution for Marea Group, LLC, a Florida Limited Liability Company:

1. **Representation and Engagement:** Ainsworth and Clancy, PLLC was retained to dissolve Marea Group, LLC, a Delaware Limited Liability Company.
2. **Clerical Error:** Due to an internal miscommunication, our firm mistakenly filed dissolution documents for a different Marea Group, LLC, a separate entity registered in Florida, instead of the intended Delaware LLC.
3. **Discovery of the Error:** The mistake was identified after the dissolution had been processed by the Florida Division of Corporations and was brought to our attention by counsel for Marea Group, LLC in Florida.
4. **Immediate Corrective Action:** Upon recognizing the error, we promptly took steps to rectify the situation by preparing and submitting the necessary Articles of Revocation of Dissolution. However, we became aware of the error too late and the Articles of Revocation were not accepted.
5. **No Authorization.** For clarity, we are not associated in any manner with Marea Group, LLC in Florida, nor did we ever, nor do we have any right, authority, or control over the entity.
6. **Request for Reinstatement:** We respectfully request that the Florida Division of Corporations accept the Articles of Revocation of Dissolution and reinstate **Marea Group, LLC, Document Number L17000130809**, to its prior active status.
7. **Contact for Further Information:** Should additional information be required to process this request, please contact our office.
