Regards,

I write because I try to use the name 'JP Software' to register my company on August 23 of 2017. I receive today an email from limitedonline@dos.state.fl.us that notifies me that I can't use this named because the named designated is unavailable. I have filed this company on March 2 of 2015 with my husband Juan Salcedo. So I want to use the name 'JP software' to created this company. In others words, me and husband are the same person that created the company 'JP software'. i appreciate all your help with this.
