RE: Acquisitions for R.O.W., LLC

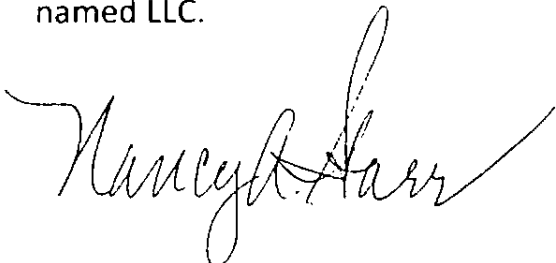

300367416243

Dear

I formed my LLC, Acquisitions for R.O.W., LLC in Florida and paid all of the fees associated with the filing regulations. Recently, I looked up my corporation to determine when I needed to file some additional papers. I found out that someone in Miami illegally registered as the owner of this LLC. This is not the case.

I was ill at the end of 2020 and 2021, having 3 surgeries after and with a diagnosis of breast cancer which is why I am late in filing the required papers.

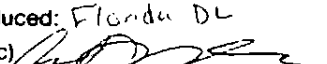

What is upsetting about this, is my Real Estate Brokers license is associated with this LLC and he does not work for me nor have any association with me. I also have a qualified DBE Disadvantage Business Enterprise status with this LLC. In order to qualify as a DBE, there are financial considerations and owner must be a minority, female or Hispanic and he does not appear to qualify. This is FRAUD and I do not want my Broker's license or DBE qualification harmed by this persons illegal activity. He did not have my consent or permission to file as owner of this named LLC.
