To whom it may concern,

With establishing my Sandy Buns LLC, I received a call yesterday informing me that the person who the LLC is officially registered under is wrong and I (who it should be) is only a "manager" of the company. This is backwards and I hope the paperwork contained within is correct. If there are any questions please do not hesitate to call me. I am totally new at starting a small business and there is a huge learning curve, I appreciate the patience.
