To whom it may Concern,

My name is Connor Thompson. I have been the main MGR on Family Health First LLC since the original date this LLC was filed. My document number is L18000064451 and my FEI/EIN number is 82-4800422

I don't see how this is even legal but I have a disgruntled employee that put himself on my LLC as a MGR and RA.

As of 11/9/2023, it looks like Anthony Valentine Coviello was put on my LLC.

I never approved of this, nor is he a partner of a part of my company. He has nothing to do with the company and has never been on the LLC before.

I am very surprised that you can just put yourself on someone else's LLC.

Please take him off the LLC as I have had this LLC since 2018 and I am an insurance agent, he literally has no agreement to be on this LLC nor did I give any permission for something like this.

He also filed a voluntary dissolution of my LLC on 11/11/2023 without any permission or authority. Please make sure my LLC is active as the person has nothing to do with my company or LLC.

Please take him off immediately and please make sure this is something on record so this doesn't keep happening. Please call me with any questions at 561-410-8147.
