As per our conversation I Kristen L Mazzacane, owner, secretary and treasurer of Intake Solutions Inc, have filed to replace Intake Solutions Inc (S Corp). with new filing for Intake Solutions LLC.

As a result, the president has already filed a dissolution of Intake Solutions Inc. and this email is to confirm that there is no intention to revoke that dissolution, and I would like the name release so that I may be eligible for naming the new LLC.

Thank you very much.

We received your online transmitted document. However, the document has not been filed for the following:

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of a voluntarily dissolved business entity. The name of a voluntarily dissolved business entity is not available for the assumption or use by another entity until 120 days after the effective date of dissolution unless the dissolved business entity provides the Department of State with a notarized affidavit, stating that they have no intention of revoking the dissolution, therefore, releasing the name for use to another entity.

The document number of the name conflict is P17000072764.

To make the necessary corrections to your filing, return to our website at <http://www.sunbiz.org> <<http://www.sunbiz.org>> and select the filing type your wanting to correct under the 'Filing Services' menu and click on the 'File or Correct' button.

Then enter your tracking number and pin number in correction box on the right hand side of the screen. Both of these numbers
