I logged into SunBiz today to file my Annual Report for Doodle Investments, LLC. I am Hubert K Fouque, the registered agent for this company, document number L18000200332.

I discovered that an unauthorized filing for Articles of Dissolution was filed on 09/25/2024. I opened the Article of Dissolution document and saw that it was signed by Danielle Wise. This person has nothing to do with my company. I am shocked that she would be able to go into my company's record and make such unauthorized and alarming changes.

I do not know if this was done intentionally or by mistake. My CPA looked up Danielle Wise in SunBiz and discovered she had a company called Doodles Capital, LLC. It is possible that she selected my company in her SunBiz search by mistake, when trying to Dissolve her own company. It is hard to believe that your software cannot prevent this kind of unauthorized event from happening. Please help me get this issue corrected.

I will be filing my tax returns soon and need my company's status changed back to Active in SunBiz as soon as possible. Please reach out to me to confirm you received this Statement of Fact. My contact details are below.

Thanks for your help and Best Regards,

Hubert K Fouque
