Good Morning,

Your name release letter needs to include the following:

Your Name.

Business name and document number of the dissolved entity.

Tracking number or name of the newly filed business entity.

Please make sure to include a statement insuring that you have no intentions on reinstating the old business entity. As well as you would like to push through with the new filling.

Example:

I, (Your name) am the owner of the business (Dissolved Entity), which I have no intentions of reinstating. I would like to release the name for my newly filed business entity (Business name, Tracking number) to myself.

If you are having to reach out to another business owner, the letter needs to state that they are releasing the name to you, and are giving you permission to file with that name. This letter will need to be notarized.
