Tim,

Thank you for talking to me about this and your help with the matter. I am aware that there is a currently registered company with a similar name, The Praxis Company LLC. I understand that There is not a large distinction between "Praxis LLC" and "The Praxis Company LLC", but in my reading of the statute this is just as distinguishable as it may be from "Praxis Partners, LLC", or "Praxis Investors, LLC", both current active companies.

I understand that there is a possibility of conflict with other companies with similar names, but I am willing to take on that responsibility and I would not hold the Department liable for conflicts that might arise.

Please let me know if you need anything else from me and thank you again for your help.

Yours,

Rick
