Good Afternoon,

Your name release letter needs to include the following:

Your Name.

Business name and document number of the dissolved entity.

Tracking number or name of the newly filed business entity.

Please make sure to include a statement insuring that you have no intentions on reinstating the old business entity. As well as you would like to push through with the new filing.

Example:

I, (Your name) am the owner of the business (Dissolved Entity), which I have no intentions of reinstating. I would like to release the name for my newly filed business entity (Business name, Tracking number) to myself.
