My name is Ing Lee and I am the original incorporator of I LEE REI LLC. My company was formed on 11/16/2018 and was assigned Florida document number L18000267763.

My company was formed with an Operating Agreement (attached) which clearly states that any additional members joining the company would have to agree to the terms of the operating agreement in writing.

It has recently become aware to me that there were changes made to the LLC filing which initially changed the Registered Agent and then subsequently removed me as the AMBR and replaced both the existing RA and me with Mr. Doug Neuhaus.

I do not personally know Mr. Neuhaus and have never been personally introduced to him. Nor have he and I ever executed any agreements about I LEE REI LLC or any other matters for that fact.

I am providing this letter as an affidavit to this matter which has me submitting the accompanying Articles Of Amendment To Articles Of Organization Of I Lee REI LLC.

It is my intention to secure my company information as reflected in the Ammendment as mentioned above.

I may be reached at 954-901-4002 if there are any questions regarding this matter.

Sincerely,

Ing Lee

Sworn to and ascribed before me did appear Ing Lee, an individual, who produced US Residency Card as identification, originally by Notary Antonio Marquez #GG953323 on 3/17/23, and currently on 01/05/2024 who duly executed the signature above in my presence. This letter corrects a typographical error in the previously notarized document.
