**OPERATING AGREEMENT**  
**of**  
**FULL BOAR LANDSCAPING AND IRRIGATION LLC**

**This Operating Agreement** (the "Agreement") made and entered into this 15<sup>th</sup> day of February, 2022 (the "Execution Date"),

**BY:**

MARK ALLEN FREDERICK JR of 545 Hardwood Cir, Orlando, FL 32828, USA  
(the "Member").

**BACKGROUND:**

- A. The Member wishes to be the sole member of a limited liability company.
- B. The terms and conditions of this Agreement will govern the Member within the limited liability company.

**IN CONSIDERATION OF** and as a condition of the Member entering into this Agreement and other valuable consideration, the receipt and sufficiency of which is acknowledged, the Member agrees as follows:

**Formation**

- 1. By this Agreement, the Member forms a Limited Liability Company (the "Company") in accordance with the laws of the State of Florida. The rights and obligations of the Member will be as stated in the Florida Limited Liability Company Act (the "Act") except as otherwise provided in this agreement.

**Name**

- 2. The name of the Company will be FULL BOAR LANDSCAPING AND IRRIGATION LLC.

**Sole Member**

- 3. While the Company consists only of one Member, any reference in this Agreement to two or more Members and that requires the majority consent or unanimous consent of Members, or that requires a certain percentage vote of Members, should be interpreted as only requiring the

consent or vote of the sole Member.

**Purpose**

4. LANDSCAPING AND IRRIGATION SERVICES.

**Term**

5. The Company will continue until terminated as provided in this Agreement or may dissolve under conditions provided in the Act.

**Place of Business**

6. The Principal Office of the Company will be located at 545 Hardwood Cir, Orlando, FL 32828, USA or such other place as the Members may from time to time designate.

**Capital Contributions**

7. The following table shows the Initial Contributions of the Member. The Member agrees to make the Initial Contributions to the Company in full, according to the following terms:

Member	Contribution Description	Value of Contribution
MARK ALLEN FREDERICK JR	MARK ALLEN FREDERICK JR will contribute \$4000 cash and also provide bookkeeping services.	\$4,000.00

**Allocation of Profits/Losses**

8. Subject to the other provisions of this Agreement, the Net Profits or Losses, for both accounting and tax purposes, will accrue to and be borne by the sole Member:  
MARK ALLEN FREDERICK JR of 545 Hardwood Cir, Orlando, FL 32828, USA.
9. No Member will have priority over any other Member for the distribution of Net Profits or Losses.

**Nature of Interest**

10. A Member's interest in the Company will be considered personal property, and will at no time be considered real property.

**Withdrawal of Contribution**

11. No Member will withdraw any portion of their Capital Contribution without the unanimous consent of the other Members.

**Liability for Contribution**

12. A Member's obligation to make their required Capital Contribution can only be compromised or released with the consent of all remaining Members or as described elsewhere in this Agreement. If a Member does not make the Capital Contribution when it is due, he is obligated at the option of any remaining Members to contribute cash equal to the agreed value of the Capital Contribution. This option is in addition to and not in lieu of any others rights, including the right to specific performance that the Company may have against the Member.

**Additional Contributions**

13. No Member will be required to make Additional Contributions. Any changes to Capital Contributions will not affect any Member's Interests except with the unanimous consent of the Members.
14. Any advance of money to the Company by any Member in excess of the amounts provided for in this Agreement or subsequently agreed to, will be deemed a debt due from the Company rather than an increase in the Capital Contribution of the Member. This liability will be repaid with interest at such rates and times to be determined by a majority of the Members. This liability will not entitle the lending Member to any increased share of the Company's profits nor to a greater voting power. Repayment of such debts will have priority over any other payments to Members.

**Capital Accounts**

15. An individual capital account will be maintained for each Member and their initial Capital Contribution will be credited to this account. Any Additional Contributions made by any Member will be credited to that Member's individual Capital Account.

**Interest on Capital**

16. No borrowing charge or loan interest will be due or payable to any Member on their agreed Capital Contribution inclusive of any agreed Additional Contributions.

**Management**

17. Management of this Company is vested in the Members.

**Authority to Bind Company**

18. Only the following individuals have authority to act for or bind the Company in contract:

- MARK ALLEN FREDERICK JR.

**Duty of Loyalty**

19. Any Member may invest in or engage in any business of any type, including without limitation, a business that is similar to the business of the Company whether or not in direct competition with the Company and whether or not within the established or contemplated market regions of the Company. Neither the Company nor any Member will have any right to that opportunity or any income derived from that opportunity.

**Duty to Devote Time**

20. Each Member will devote such time and attention to the business of the Company as the majority of the Members will from time to time reasonably determine for the conduct of the Company business.

**Member Meetings**

21. A meeting may be called by any Member providing that reasonable notice has been provided to the other Members.
22. Member meetings will be held at any location that the Members may from time to time designate.
23. Regular Member meetings will be held quarterly.

**Voting**

24. Where the Company consists of two or more Members, each Member will be entitled to cast votes on any matter based upon the proportion of that Member's Capital Contributions in the Company.

**Admission of New Members**

25. A new Member may only be admitted to the Company with a unanimous vote of the existing Members.
26. The new Member agrees to be bound by all the covenants, terms, and conditions of this Agreement, inclusive of all current and future amendments. Further, a new Member will execute such documents as are needed to effect the admission of the new Member. Any new Member will receive such business interest in the Company as determined by a unanimous decision of the other Members.

**Voluntary Withdrawal of a Member**

27. Where the Company consists of two or more Members, the voluntary withdrawal of a Member will have no effect upon the continuance of the Company.
28. It remains incumbent on the withdrawing Member to exercise this dissociation in good faith and to minimize any present or future harm done to the remaining Members as a result of the withdrawal.

**Involuntary Withdrawal of a Member**

29. Where the Company consists of two or more Members, events leading to the involuntary withdrawal of a Member from the Company will include but not be limited to: death of a Member; Member mental incapacity; Member disability preventing reasonable participation in the Company; Member incompetence; breach of fiduciary duties by a Member; criminal conviction of a Member; Operation of Law against a Member or a legal judgment against a Member that can reasonably be expected to bring the business or societal reputation of the Company into disrepute. Expulsion of a Member can also occur on application by the Company or another Member, where it has been judicially determined that the Member: has engaged in wrongful conduct that adversely and materially affected the Company's business; has willfully or persistently committed a material breach of the Operating Agreement or of a duty owed to the Company or to the other Members; or has engaged in conduct relating to the Company's business that makes it not reasonably practicable to carry on the business with the Member.
30. Where the Company consists of two or more Members, the involuntary withdrawal of a Member will have no effect upon the continuance of the Company.

**Dissociation of a Member**

31. Where the Company consists of two or more Members, in the event of either a voluntary or involuntary withdrawal of a Member, if the remaining Members elect to purchase the interest of the withdrawing Member, the remaining Members will serve written notice of such election, including the purchase price and method and schedule of payment for the withdrawing Member's interest, upon the withdrawing Member, their executor, administrator, trustee, committee or analogous fiduciary within a reasonable period after acquiring knowledge of the change in circumstance to the affected Member. The purchase amount of any buyout of a Member's interest will be determined as set out in the Valuation of Interest section of this Agreement.
32. The remaining Members retain the right to seek damages from a dissociated Member where the dissociation resulted from a malicious or criminal act by the dissociated Member or where the dissociated Member had breached their fiduciary duty to the Company or was in breach of this Agreement or had acted in a way that could reasonably be foreseen to bring harm or damage to the Company or to the reputation of the Company.
33. A dissociated Member will only have liability for Company obligations that were incurred during their time as a Member. On dissociation of a Member, the Company will prepare, file, serve, and publish all notices required by law to protect the dissociated Member from liability for future Company obligations.
34. Where the remaining Members have purchased the interest of a dissociated Member, the purchase amount will be paid in full, but without interest, within 90 days of the date of withdrawal. The Company will retain exclusive rights to use of the trade name and firm name and all related brand and model names of the Company.

**Right of First Purchase**

35. Where the Company consists of two or more Members, in the event that a Member's Interest in the Company is or will be sold, due to any reason, the remaining Members will have a right of first purchase of that Member's Interest. The value of that interest in the Company will be the lower of the value set out in the Valuation of Interest section of this Agreement and any third party offer that the Member wishes to accept.

**Assignment of Interest**

36. Where a Member's financial interest in the Company is assigned to another party who is not an existing Member, that party will be treated as a new Member. An assignment of full Membership status inclusive of all duties, obligations, and rights held by the previous Member will be governed by the conditions described under the Admission of New Members section of this Agreement.
37. In the event that a Member's interest in the company is transferred or assigned as the result of a court order or Operation of Law, the trustee in bankruptcy or other person acquiring that Member's interest in the Company will only acquire that Member's economic rights and interests and will not acquire any other rights of that Member or be admitted as a Member of the Company or have the right to exercise any management or voting interests.

**Valuation of Interest**

38. A Member's financial interest in the Company will be in proportion to their Capital Contributions, inclusive of any Additional Capital Contributions.
39. In the absence of a written agreement setting a value, the value of the Company will be based on the fair market value appraisal of all Company assets (less liabilities) determined in accordance with generally accepted accounting principles (GAAP). This appraisal will be conducted by an independent accounting firm agreed to by all Members. An appraiser will be appointed within a reasonable period of the date of withdrawal or dissolution. The results of the appraisal will be binding on all Members. The intent of this section is to ensure the survival of the Company despite the withdrawal of any individual Member.
40. No allowance will be made for goodwill, trade name, patents or other intangible assets, except where those assets have been reflected on the Company books immediately prior to valuation.

**Dissolution**

41. The Company may be dissolved by a unanimous vote of the Members. The Company will also be dissolved on the occurrence of events specified in the Act.
42. Upon Dissolution of the Company and liquidation of Company property, and after payment of all selling costs and expenses, the liquidator will distribute the Company assets to the following groups according to the following order of priority:

- a. in satisfaction of liabilities to creditors except Company obligations to current Members;
- b. in satisfaction of Company debt obligations to current Members; and then
- c. to the Members based on Member financial interest, as set out in the Valuation of Interest section of this Agreement.

**Records**

  - b. A copy of the Company federal, state, and local income taxes for each year;
  - c. Name and last known business, residential, or mailing address of each Member, as well as the date that person became a Member;
  - d. A copy of this Agreement and any articles or certificate of formation, as well as all amendments, together with any executed copies of any written powers of attorney pursuant to which this Agreement, articles or certificate, and any amendments have been executed; and
  - e. The cash, property, and services contributed to the Company by each Member, along with a description and value, and any contributions that have been agreed to be made in the future.
44. Each Member has the right to demand, within a reasonable period of time, a copy of any of the above documents for any purpose reasonably related to their interest as a Member of the Company, at their expense.

**Books of Account**

45. Accurate and complete books of account of the transactions of the Company will be kept in accordance with generally accepted accounting principles (GAAP) and at all reasonable times will be available and open to inspection and examination by any Member. The books and records of the Company will reflect all the Company's transactions and will be appropriate and adequate

for the business conducted by the Company.

**Banking and Company Funds**

46. The funds of the Company will be placed in such investments and banking accounts as will be designated by the Members. All withdrawals from these accounts will be made by the duly authorized agent or agents of the Company as appointed by unanimous consent of the Members. Company funds will be held in the name of the Company and will not be commingled with those of any other person or entity.

47. Any Member will have the right to request an audit of the Company books. The cost of the audit will be borne by the Company. The audit will be performed by an accounting firm acceptable to all the Members. This report will consist of at least:
- a. A copy of the Company's federal income tax returns for that fiscal year; and

67. Headings are inserted for the convenience of the parties only and are not to be considered when interpreting this Agreement. Words in the singular mean and include the plural and vice versa. Words in the masculine gender include the feminine gender and vice versa. Words in a neutral gender include the masculine gender and the feminine gender and vice versa.
68. If any term, covenant, condition or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, it is the parties' intent that such provision be reduced in scope by the court only to the extent deemed necessary by that court to render the provision reasonable and enforceable and the remainder of the provisions of this Agreement will in no way be affected, impaired or invalidated as a result.
69. This Agreement contains the entire agreement between the parties. All negotiations and understandings have been included in this Agreement. Statements or representations that may have been made by any party to this Agreement in the negotiation stages of this Agreement may in some way be inconsistent with this final written Agreement. **Definitions**

73. For the purpose of this Agreement, the following terms are defined as follows:
- a. "Additional Contribution" means Capital Contributions, other than Initial Contributions, made by a Member to the Company.

**THE FOLLOWING PAGE IS NOT PART OF YOUR AGREEMENT**

**THIS PAGE IS PROVIDED FOR INFORMATION ONLY**

**How do I file my LLC Operating Agreement?**

You do not need to file your LLC Operating Agreement. The Operating Agreement is simply an agreement between the members of the LLC.

An LLC is created by preparing and filing an Articles of Organization document with the state where the LLC will operate.

**What is a Tax Matters Partner?**

The Tax Matters Partner (Member) is the Member selected by the LLC to represent the company to the Internal Revenue Service and to make decisions on behalf of the LLC concerning taxation issues. The Internal Revenue Code requires that the company designate a Member for this purpose.

**How do I choose my tax treatment category?**

It is important to note that how the LLC is taxed does not affect the legal protections the LLC provides. For example, an LLC could be set up to be taxed like a sole proprietorship while still providing limited liability protection.

*One Member LLC*

An LLC with 1 member will be treated as a disregarded entity by default. This means the LLC will be taxed as a sole proprietorship.

*Two Member LLC*

An LLC with 2 or more members will be taxed as a partnership by default. If you choose to be taxed as a partnership, the income from your LLC passes through to the members and is declared as personal

income. In this way income is only taxed once but the personal income tax rates paid by the members may be much higher than the applicable corporate rate.

Additionally, any LLC has the option to be taxed as a corporation. A disadvantage of a corporate tax model is double taxation - where the LLC pays taxes on company income and the members also pay tax on any income that members receive as dividends from the LLC. The advantage of the corporate tax model is that if most of the profits of the LLC can be retained in the company then double taxation can be minimized and overall tax paid at a lower corporate tax rate.

Your choice of taxation method should result in the lowest taxes. If you have any further questions you should contact a local tax lawyer or accountant.

**Are there any limits on distributions?**

State law often restricts the amount of company distributions in order to ensure the company remains solvent. For example, some states have a distribution limit that prevents the company's liabilities from exceeding assets after a distribution is made.

**What is an allocation?**

Where an LLC is classified as a partnership for federal income tax purposes, profits and losses are allocated among members. The LLC itself will not pay income tax in that case.

**What are the benefits of requiring unanimous agreement?**

Requiring unanimous consent is typically reserved for issues critical to the company. By requiring unanimous consent, all Member's Interests are protected against unreasonable majority decisions.

### **Do I need witnesses?**

It is a good idea to have your signatures witnessed even though most documents and contracts do not require a witness for them to be legally valid.

Many banks and other institutions have their own internal policies about signing requirements, and may refuse to accept documents that are not witnessed regardless of the fact that the documents are legally valid. If you want to avoid bureaucratic hold-ups, it may be a good idea to have your document witnessed.

### **How do I choose a witness?**

Generally, the person you choose to witness a document should be a neutral third party with no financial or other interest in the agreement.

Ideally, a witness will observe the parties signing the document and sign the document as proof that they witnessed the parties signing. The witness is not usually required to know or understand the contents of the document.

- b. "Capital Contribution" means the total amount of cash, property, or services contributed to the Company by any one Member.
- c. "Initial Contribution" means Capital Contributions made by a Member to acquire an interest in the Company.
- d. "Member's Interests" means the Member's collective rights, including but not limited to, the Member's right to share in profits, Member's right to a share of Company assets on dissolution of the Company, Member's voting rights, and Member's rights to participate in the management of the Company.
- e. "Net Profits or Losses" means the net profits or losses of the Company as determined by generally accepted accounting principles (GAAP).
- f. "Operation of Law" means rights or duties that are cast upon a party by the law, without any act or agreement on the part of the individual including, but not limited to, an assignment for the benefit of creditors, a divorce, or a bankruptcy.
- g. "Principal Office" means the office whether inside or outside the State of Florida where the executive or management of the Company maintain their primary office.

IN WITNESS WHEREOF the Member has duly affixed their signature under hand and seal on this 15<sup>th</sup> day of February, 2022.
