As per our phone conversation earlier this morning please find a detailed explanation below.  
On 5/26/21 I went to the bank to open a business account. A few minutes after presenting the proof of business to the agent, I was advised that " this business does not belong to you". Upon my insistence I was provided with the Sunbiz print out and I immediately noted the following:

1. My accountant's name (Adlon Francois) was changed to (Ferris, Sandra L) someone that I and my accountant have never met or have any knowledge of, however, she kept his Coral Springs address as hers/ Registered Agent.
2. Everton Smith MGR. was replaced by Sandra Ferris again we have no knowledge of who this person is.
3. After I filed my Annual Report, amended Annual Reports were also filed by unknown parties.

I would like to proceed with business related matters but i'm unsure if there are any malicious activities that occurred with these unauthorized changes. I am kindly requesting your assistance in resolving this matter. Thank you in advance.

Respectfully,

  
Everton Smith
