Statement of Fact

I, **JOSHUA D GEDDINGS**, hereby make the following statement:

On 04/29/2019 **JOSHUA D GEDDINGS** Created a LLC account with Sun Biz, who is under the Florida Department of Corporations, with Heather L Davis. **JOSHUA D GEDDINGS** was listed as the registered agent, and Ms. Davis and **JOSHUA D GEDDINGS** as authorized MGR's on the "Electronic Articles of Organization" Attached as well as on Sunbiz.org. On 12/31/2020 Ms. Davis sent emails to MR. FIX IT REPAIRS IT ALL LLC main email: **MR.FIX.IT.REPAIRS.IT.ALL@GMAIL.COM** from Ms. Davis's email: **HEATHER468.HD@GMAIL.COM** regarding her turning the business over to **JOSHUA D GEDDINGS**.

On 01/10/2021 **JOSHUA D GEDDINGS** Filed 2021 "Annual Report" Attached as well as on Sunbiz.org. Removing Ms. Davis as an authorized MGR based on the emails sent on 12/31/2020 that are Attached (Labeled 1st & 2nd Email). On 01/14/2021 Ms. Davis Amended the "Annual Report" removed me from being the registered agent as well as being authorized as a MGR, and placed herself as the registered agent and the only authorized MGR on the account, or better said she attempted to, and was not successful in the formatting as well as not having authorization. Further explained in writing with blue pen on the attached items behind this statement of facts with each page being initialed at the bottom.

On 1/27/2021 Ms. Davis filed "Articles of Dissolution" that took effect on 1/28/2021. I am trying to get this corrected and the company back open so that I can proceed with conducting business in the state of Florida. Also, to correct the false statements made by Ms. Davis that I did not have authorization and that I was stealing money. She is the one committing unauthorized actions. She owns 0% of the LLC currently and was stealing from not only the business accounts but my personal ones as well unauthorized. Then after the fact told me that I can consider it renting the truck and I could keep it and she would stop taking the truck back and stop throwing my stuff out of the vehicle if I did not report her stealing the money out of my personal account on the 1/7/2021 and kept making the payments every month. When she was at my home during the time, she had a no contact order. Shortly after that was when the Lake Alfred Police 1/14/2021 report happened they were also informed of the noncontact order but did nothing about it. She thinks she is above the law because she can manipulate everyone apparently how does all this and all that was handwritten on the attached papers happen without her getting charges. She has been trying to set me up to go to jail or at the very least tarnish my name in various ways trying to make it so I am not able to have a contract with any major company due to trust or legal issues. See attachments for proof of her harassment, theft, false accusations, larceny, forging documents to sunbiz and more. She has set things up from the beginning to have me take the fall for what she has been doing and has strong armed me through this whole process with information not currently disclosed but she set up even to get me to sign the States Attorneys waiver so the battery charges she was arrested for when she called 911 telling them I hit her and had a gun trying to get me arrested. The other report that I kidnapped her at gunpoint both were false accusations when she was the aggressor/harasser/protagonist and has been the whole time. I just need my company back and it set up so she is notable to continue to harass me. The cops won't do anything about it Saying, "it's a civil matter"
