Good afternoon! You can send me a name release using the example below. Once I have it then I will review and then process your document.

Your name release letter needs to include the following:

- Your Name.
- Business name and document number of the dissolved entity.
- Tracking number or name of the newly filed business entity.

Please make sure to include a statement insuring that you have no intentions on reinstating the old business entity. As well as you would like to push through with the new filling.

Example:

I, (Your name) am the owner of the business (Dissolved Entity), which I have no intentions of reinstating. I would like to release the name for my newly filed business entity (Business name, Tracking number) to myself.
