On 7/6/2023 Austin Aanderud changed the password on the Bank of America online banking and began setting up additional accounts with only his name on the new accounts. Austin also changed the passwords to all the accounts, emails, and anything else we would need to recover this account. He proceeded to transfer all the money out of the shared AVH Plumbing account into the new accounts, which only he has access too. On 7/13/2023 he logged into Sunbiz and changed the registered agent from Bryan Andrews, who both Chris and Austin initially agreed upon to Ashley Aanderud. All of this was done without consultation or final approval from the Qualified Agent Chris Heitkamp. Qualifed agent and accountant then consulted with Bank of America who froze the accounts and advised we call sunbiz to remove Austin as manger and remove the fraudulent filing. Sunbiz told the Qualifing agent to file a new annual report as well as file a statement of fact with sunbiz and the sheriff's department. The new report has been filed to meet all the requirements of sunbiz and Bank of America.
