Good Morning, so the attached are the two pages from the conversion. One being the rejection letter and the other being the unsinged page. Below is the name release template that you can use and then send it back to me via e-mail.

Your name release letter needs to include the following:

Your Name.

Business name and document number of the dissolved entity.

Tracking number or name of the newly filed business entity.

Please make sure to include a statement insuring that you have no intentions on reinstating the old business entity. As well as you would like to push through with the new filling.
