On 1/3/2023 an Annual Report was electronically filed and accepted with FDOC at 8:34am. This report was unauthorized and not approved to be filed or positions changed by William David Cochran. William David Cochran does not have any interest or affiliation in the Partnership Agreement between Mark D. Cochran Sr and James B. Cuneo who are the rightful owners of Biker's Howlin Wolf LLC. While William David Cochran is Mark D. Cochran Sr's son, he is not part of the business and is NOT authorized to speak or submit documentation on behalf of either Rightful Owner.

Mark D. Cochran Sr owns 51% and James B. Cuneo owns 49% of Biker's Howlin Wolf LLC. Mark D. Cochran Sr is the Current President and James B. Cuneo is the current Vice President. William David Cochran submitted a false document without permission or any discussion with the actual company leadership. I would request that FDOC remove this 2023 Annual Report and allow us to resubmit it. If not, the Mar 9th, 2022, is the True and Current Owners info and positions.

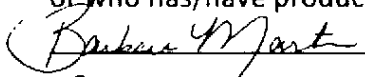

Respectfully,

James B. Cuneo
Vice President
Biker's Howlin Wolf LLC

State of Florida
County of Putnam

Subscribed and sworn to (or affirmed) before me this 5th day of January 2023, by James B. Cuneo Vice President of Biker's Howlin Wolf LLC, who is/are personally known to me or who has/have produced a Florida Driver License as identification.
