Good afternoon.

Please correct the letter emailed to me so that I can process your application. The email needs to state that you are not planning to revoke the dissolution, not resolution. Also in the email please provide the document number of the dissolved (prior) company, the tracking number of the current application, and list your name at the bottom of the email. Thank you and as soon as I get the corrections I can push your application through.

Also, let me apologize for the time it has taken to process your application. Thank you.

Daniel
