L20000000020

Attention: Division of Corporations (Fraudulent Activity on Corporation)

Corporation Name: ATB LLC  
Document Number: L20000000020  
Date Filed: 12/17/2019

On December 17 2019 I filed a new LLC through the sunbiz website. The name is ATB LLC. On March 1<sup>st</sup> 2020 I went online to check on the status of ATB LLC and I noticed that someone has changed the address of my business. There is a registered agent involved that I do not know and I am not associated with. They have hijacked my company and changed all the information to their own. I don't know their intentions, but this is not correct. I want to put everything back in order. My business ATB LLC didn't have an EIN now they have attached an EIN to ATB LLC. I hope this is not a mayor problem now. Please help me.

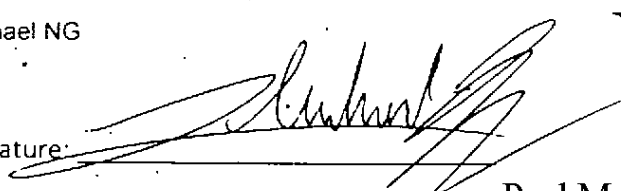

Thank You

Paul Melchi reached out stating he filed the AR for this one in error. The correct filing should have been for L20000000205. The annual report has been removed, information changed back and a refund has been issued. BM 03/26/20
