Subject: Annual Report Filed in Error

EMAIL RECEIVED FROM EXTERNAL SOURCE

My client accidentally filed an annual report for the wrong entity. The entity they intended to file for is a foreign LLC but when they entered the document number, they put an L in front of the number instead of an M and didn't realize they had the wrong LLC.

They have filed the correct report but are wondering if there is any way that the report they filed for someone else's entity can be reversed and a credit issued. I have attached a copy of their payment receipt .

Please advise.

Thank you,

Michele Mueller
