EMAIL RECEIVED FROM EXTERNAL SOURCE

Hello,

I just resubmitted everything online.
This isn't a mistake and I'd like to continue with my LLC by establishing another company under this name.

Please let me know if everything is in order as I am needing to open my business bank account as soon as possible. Thank you

Samantha Long

We received your online transmitted document. However, the document has not been filed for the following:

Our records reflect you previously established a company by this name and said company was administratively dissolved for failure to file an Annual Report form. If you are trying to establish another company by this name and do not wish to reinstate the administratively dissolved company, simply resubmit this filing under the same name. However, if you are trying to reinstate the administratively dissolved company, you have submitted the wrong documentation and fees. Please respond to this letter, ask us to abandon this filing, and request a refund. Be sure
