**D. If amending any other information, enter change(s) here:** *(Attach additional sheets, if necessary.)*

This filing was done inadvertently by Kristina Young on March 12, 2020. I, Corinne Pierson Blanchette, founded this business and own the copyright since January 3, 2020. We were going to form a partnership with this business, however, since this filing was made without my permission, I have decided otherwise. With these amendments, I am including a proof of my copyright for the brand name and logo Market Staged Right. Also, I own the website address, www.marketstagedright.com since December 6, 2019. Please call me if you need any clarification or have any additional questions for me at 954-654-5171. My husband, David Blanchette is the new Registered Agent, and can also provide you with a witnessed statement if needed.

I discussed everything with Kristina Young and she is agreeable to these changes as she overstepped her position when the original filing was submitted on March 12, 2020. Market Staged Right, LLC is and always has been my company. I alone have the accreditation from HSR Home Staging Resources. When Kristina Young decides to get her own accreditation, we may be able to work together again in the future. I know that she has registered an EIN # under Market Staged Right, LLC and opened a business checking account under the same name.

This is considered fraudulent misrepresentation. I do need to make this clear that she had no right to file on behalf of my branded, copyright & logo Market Staged Right. Thank you for making these amendments as soon as possible effective April 8, 2020.

**E. Effective date, if other than the date of filing:** April 8, 2020 **(optional)**

(If an effective date is listed, the date must be specific and cannot be prior to date of filing or more than 90 days after filing.) Pursuant to 605.0207 (3)(b)

**Note:** If the date inserted in this block does not meet the applicable statutory filing requirements, this date will not be listed as the document's effective date on the Department of State's records.

If the record specifies a delayed effective date, but not an effective time, at 12:01 a.m. on the earlier of: (b) The 90th day after the record is filed.
