Dear Mr./Ms.:

Please be noted that I am a sole member of Florida Limited Liability Company MOVERS SPACE, LLC (EIN- 85-1017279), which has been reinstated on June 19, 2023 without my permission or knowledge. According to www.sunbiz.org information, someone named Visser, Connie (812 south street pella, IA 50219) put themselves as the CEO of Movers Space. I do not know this person and never gave permission to reinstate my company, which has not been active for the past couple of years. This is fraud and therefore, please close this company and take all other appropriate actions in order to prevent further fraudulent transactions.

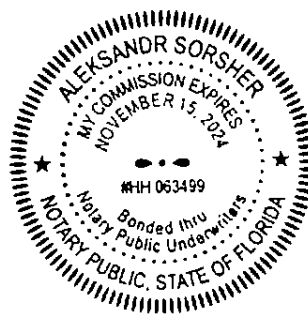

Should you have any questions, or require additional information, please feel free to reach out to me at _____ or on my email: leva_mimino@yahoo.com

Looking forward for your prompt action.

Sincerely,

L. Miminoshvili
