To Whom It May Concern,

I received your email regarding a change in my records. I looked at my account to find someone had used my name, including middle initial, to change my address to another street and city.

I have now changed the address to my correct address. Please note I recently moved from 3275 Soft Breeze Circle, West Melbourne, FL 32904 to the Friar Tuck address above.

My phone number remains 321-223-7570. My email address remains susanjackson@wellnessforward.com.

Thank you for your assistance.

Sincerely,

Susan Jackson
