ARTICLE VII MEMBERSHIP

Except as expressly provided in a written operating agreement executed by all members, the Company shall have at least one member at all times and may only admit additional members upon the prior, unanimous written agreement of all then-existing members.

If any attempt to enforce a charging order is successful, the Company shall no longer issue distributions of profits or losses to the membership interest effected by such an order, until the effect of such an order is removed. Such distributions of profit and losses which would normally be issued to such membership interest effected by a charging order, but are withheld, shall be distributed to the remaining membership interest on a pro rata basis.

No party is granted a consensual security interest in the Company membership interest or assets to pursue the remedies available to a secured creditor under section 605.0503 of the Act or any other law applicable to secured creditors without the written approval of all Managers and Members.
