STATEMENT OF FACTS

STATE OF FLORIDA
COUNTY OF SEMINOLE

700865591057

1. My name is Jerome "Jerry" Arcaro and I am an adult resident and citizen of the County of Seminole, State of Florida.
2. I have direct knowledge of the information contained within this Affidavit.
3. I only recently became aware that my limited liability company, Cooling Comfort Design, LLC (hereafter "LLC"), was dissolved without my knowledge and without my permission. According to the Secretary of State records, my LLC was dissolved on November 10, 2020.
4. I have reviewed the Articles of Dissolution that were filed with the Secretary of State on November 10, 2020. I am the only authorized manager of my LLC. I did not file the Articles of Dissolution that were filed with the Secretary of State on November 10, 2020.
5. I only learned of the filing of the Articles of Dissolution at a time more than 120 days after the filing as I had no reason to check on the status of my LLC until I was getting ready to file the LLC's annual report.
6. I am currently in a business contractual dispute with an Oliver Evans of Shark Design, Inc. I don't know but would ask the Secretary of State to investigate the source of the Articles of Dissolution filing, such as the IP address for the computer that filed with the Secretary of State on November 10, 2020.

7. I am filing this Affidavit in order to request that the Secretary of State allow me to reinstate my LLC with the State of Florida without penalty. This is needed for anticipated litigation against Oliver Evans and Shark Design, Inc. as well as to conduct business under the name of the LLC in 2021 and in future years.

FURTHER AFFIANT SAYETH NAUGHT.
