To whom it may concern,
I Brittannis Malcolm registered the
Limited Liability Company Allure By Bee LLC
March 2, 2021. My above-mentioned address was
listed as the current place of business and
Anthony Malcolm was listed as the manager
(authorized person). I filed an annual report
on 4/27/2022. Regrettably, I missed the deadline
for the 2023 annual report which led to the
business status becoming "inactive".

On Wednesday January 24, 2024 a
stranger knocked on my door (same address used for
the business) trying to plead with me to sign for
a fedex package that he claimed to have
shipped to the wrong address. He offered me a \$1000
to accept the package from the Fedex driver
and I refused. He proceeded to advise me
that he bought a business and because
this was the business address prior to him
purchasing the business his package was shipped
to my address. I was not able to see the package.

I went on sunbiz.org and realized that someone had reinstated Allure By Bee LLC on 1/19/2024. My address was still listed as the current place of business but they changed the mailing address, the name of the registered agent to Keila Noel and they removed Anthony Malcolm's name and replaced the Authorized person with Keila Noel (ceo). Two hours after this the stranger rang my doorbell and grabbed a package that was at my doorway and ran to their vehicle. The following day 3 empty boxes came via usps that were addressed to Allure By Bee LLC. The boxes contained empty packets with pre-paid labels to return phones that should seemingly be traded in.

This letter hereby serves as my declaration that I Brittannis Malcolm did not authorize for reinstatement of Allure By Bee LLC. I also did not authorize for any information on the business to be changed. I have no knowledge of the document filed on January 19, 2024.

Sincerely
Brittannis Malcolm
