This option is in addition to and not in lieu of any others rights, including the right to specific performance that the Company may have against the Member.

14. Capital Contributions may be amended from time to time, according to the business needs of the Company. However, if additional capital is determined to be required and an individual Member is unwilling or unable to meet the additional contribution requirement within a reasonable period, the remaining Members may contribute in proportion to their existing Capital Contributions to resolve the amount in default. In such case, the allocation of Net Profits or Losses and the distribution of assets on dissociation or dissolution will be adjusted accordingly.
15. This liability will be repaid with interest at such rates and times to be determined by a majority of the Members. This liability will not entitle the lending Member to any increased share of the Company's profits nor to a greater voting power. Repayment of such debts will have priority over any other payments to Members.

16 CB 6 Apr 2021
M
