Ref.: New Registration – Cristiane Gusmao LLC – W20000084407

In August 8th 2020 we sent a registration form for the company in reference and we never receive any information from this Division about this company.

Search online we find out that there is a rejecting information (# in reference) that this Division is not proceeding for the registration but no explanation for why.

In about 3 weeks I call this Division and I spoke with someone and she told me that is because Excel Total Business our company is not register and I explained to her that Excel Total Business is a DBA name and we are active on State of Florida and there is no reason to not register this company in reference. She immediately told that she is going to review the process and call me back and never did.

Please I am requesting the registration this company and/or an explanation for why not.

In addition, I think we have an online account with this Division and the payment for the registration was paid by this account.

I really appreciate your prompt action on this matter because our customer needs this company open as soon as possible.

Sincerely,

Antonio Cardoso
