RE: FRAUDULENT LLC CREATED IN MY NAME

July 5, 2021

To Whom It May Concern:

I called the Department of State on Friday, July 2nd, 2021 regarding a fraudulent LLC that was created in my name. I received a letter at my home requesting payment of a fee that did not look legitimate and chose to look it up on SunBiz just in case. I found that there was an LLC created on June 24th with my name and personal home address. I DID NOT CREATE THIS and know nothing regarding this LLC. The information is as follows:

DRYCLEANING SERVICE BY WADE

Document #L21000293510

Date filed: 6.24.21

Effective Date: 6.24.21

FEI/EIN: none

I was told that the DoS's process is to reach out to whoever created this and offer for them to update their contact information. I would like my information to be disassociated immediately to avoid any further identity theft, taxes being filed under my name that I am not aware of, or loans being applied for fraudulently. I would like to be notified that my information has been completely disassociated with this LLC.

Please feel free to reach out with additional questions should that be necessary regarding this matter. Thank you for your time and assistance!

Sincerely,

Wade M. Gingerich
