

L 22 0000 585 20

Statement of Fact

I am writing to inform the Division of Corporations that I did not consent to the dissolution of "Beach House Day Spa" document number L22000058520.

On July 31, 2022, Logan Tennant, my business partner, locked me out of the business and re-opened the same business under a different name.

Logan hired Katrina Solakar to file the dissolution without my knowledge or consent around September 7, 2022 and has refused to communicate with me regarding properly winding up the business.

I would like this to be added to the business record.

Thank You Kindly,

Kristin McKeen
