Re: Baggiero Vend Fixers LLC

To Whom It May Concern:

Please be advised that the Articles of Organization for this entity were fraudulently filed electronically and my signature was forged electronically. I am not now, nor have I ever been affiliated with this organization. I have no idea who they are. I am not their Registered Agent or MBR.

The principal address and registered agent address listed for this organization is my home address. I have attached a copy of a printout from the Broward County Property Appraiser's website showing my ownership of 9601 Eden Manor, Parkland, FL 33076.

Please remove my name and address completely from this fraudulent entity and file this Statement of Fact as a part of your online records.

It appears that I am a victim of identity theft, as several more corporations have been formed in other states.

Thank you for your assistance.

Sincerely,

Alan Baggiero
