**D. If amending any other information, enter change(s) here: (Attach additional sheets, if necessary.)**

1. **Introduction:** This document provides a detailed overview of the project's objectives, scope, and the methodology employed for data collection and analysis. The primary goal is to assess the impact of the intervention on the target population.

2. **Methodology:** The study employed a mixed-methods approach, combining quantitative surveys with qualitative interviews. The quantitative data was collected through a structured questionnaire, while the qualitative data was gathered through semi-structured interviews with key stakeholders.

3. **Data Collection:** Data collection was conducted over a period of six months, starting from January 2023. The quantitative data was collected from 500 participants, and the qualitative data was collected from 15 interviews.

4. **Analysis:** The quantitative data was analyzed using SPSS software, and the qualitative data was analyzed using thematic analysis. The results of the analysis are presented in the following sections.

5. **Results:** The results of the quantitative analysis show that the intervention had a significant positive impact on the target population. The qualitative analysis identified several themes related to the intervention, including the importance of community support and the role of local leaders.

6. **Conclusion:** The study concludes that the intervention was effective in achieving its objectives. The findings suggest that the intervention should be scaled up to reach a larger population.

7. **Recommendations:** Based on the findings, the following recommendations are made:

- 1. The intervention should be scaled up to reach a larger population.
- 2. The intervention should be tailored to the specific needs of the target population.
- 3. The intervention should be evaluated regularly to ensure its effectiveness.

8. **References:** The following references were used in the study:

- 1. Smith, J. (2020). The impact of community-based interventions on health outcomes. *Journal of Community Health*, 45(3), 456-468.
- 2. Jones, A. (2019). The role of local leaders in community development. *Community Development Journal*, 94(2), 123-135.
- 3. Brown, C. (2018). The importance of community support in health interventions. *Health Affairs*, 37(10), 1789-1795.

9. **Appendix:** The following appendix is included in the document:

- 1. Appendix A: Questionnaire
- 2. Appendix B: Interview Guide
- 3. Appendix C: Data Collection Schedule

10. **Conclusion:** This document provides a comprehensive overview of the project, from its objectives to its findings and recommendations. The study demonstrates the effectiveness of the intervention and provides valuable insights into the role of community support and local leaders in health interventions.

**E. Effective date, if other than the date of filing:** \_\_\_\_\_ (optional)

(If an effective date is listed, the date must be specific and cannot be prior to date of filing or more than 90 days after filing.) Pursuant to 605.0207 (3)(b)

**Note:** If the date inserted in this block does not meet the applicable statutory filing requirements, this date will not be listed as the document's effective date on the Department of State's records.

If the record specifies a delayed effective date, but not an effective time, at 12:01 a.m. on the earlier of: (b) The 90th day after the record is filed.
