To Whom It May Concern:

I, Brandon Bolton Owner/manager, and Operator of Cuisine City Café LLC is reporting that my Articles of Corporation for my business (document number L2200147388) is being illegally modified by an individual name Angel McCloud-Brady. Angel McCloud-Brady is NOT the owner of my establishment and NEVER has been. The true facts are Mrs. Brady is a terminated ex-employee that was previously listed as a registered agent on 03/25/2022 NEVER the owner she was hired and listed as an authorized person filed on June 2, 2022 for secretarial purposes ONLY. June 13, 2022 she was terminated from my business and removed from my business LLC on filing June 16, 2022. Mrs. Brady has not been affiliated with my business Cuisine City Café LLC as of June 13, 2022. Angel McCloud-Brady does not currently operate, NEVER owned, nor does she currently gain any profits from my business Cuisine City Café. I'm requesting that a thorough research be done in this matter. I'm also requesting that my name Brandon Bolton be added back to my LLC. I Brandon Bolton did not authorize Angel McCloud-Brady to amend my business LLC on July 20, 2022, August 22, 2022 and October 4, 2022, nor did I authorize any changes after her termination date of June 13, 2022 she has repeatedly harassed my business disconnected my utilities, committed theft, illegally forwarded my business mail to her residents and requested to be added to my LLC. Which all has been reported to Law Enforcement. Angel McCloud-Brady is NOT a member nor an authorize person to make changes. There is a criminal case against Angel McCloud-Brady that is set for trial December 2022. I understand that it's a third-degree felony to unauthorize modify business documents according to statute 775.082, 83, 84. Cuisine City Café LLC is located at 1016 Madison St Palatka FL 32177. I Brandon Bolton is the ONLY lease holder to this property (see attached) I own the valid EIN attached to this document (see attached) State license with Florida Department of Business and Professional Regulation for Cuisine City Café is all owned by myself Brandon Bolton (see attached) It's very disturbing to know that this is allowed to take place on face value that anyone can falsely deceit and state that they own something that they don't. Therefore, I'm requesting that Angel McCloud-Brady is removed from my business LLC document number L22000147388. The only authorize person that can make changes outside of myself to my business articles is my manager Joycelyn Rhule. I do/did not give Angel McCloud-Brady or anyone permission to modify my business Cuisine City Café LLC document with sunbiz.org. Please feel free to reach out to me with any questions or concerns at the number above.

Sincerely,

Brandon Bolton
