the sale of that Member's interest in the Company. If the Manager denies the Selling Member's request, then the interest may not be sold at that time.

B. **DEADLOCK SALE VALUATION.** As provided by Section 605.0702, Florida Statutes, in the event of a deadlock and where judicial dissolution is sought, this Section shall control. 3. Discharge all liabilities of the Company, including liabilities to Members who are creditors and on debts of the Company that Members have personally guaranteed, to the extent otherwise permitted by law, other than liabilities to Members for distributions, and establish such reserves as may be reasonably necessary to provide for contingent or liabilities of the Company.
