To Whom It May Concern:

I, Diana Rivera, owner of D.E.R. Family am writing to inform that it was recently brought to my attention that Mr. Kenneth Cabrera, who was employed with D.E.R. Family, and was terminated, has been illegal using the above address for his new business Elite VIP Rewards to obtain funding and/or perform possible fraudulent activities.

Please note that there is only one name listed with management for the above property and that is my name. Mr. Kenneth Cabrera was an employee with our company and was informed upon his departure that he was not authorized to use any property and/or address for any of his current or future businesses.

I ask that your agency look into this matter and take appropriate corrective action. Attached, please find a copy of Wells Fargo letter, my current lease for above address and State records which list employees that support this claim.

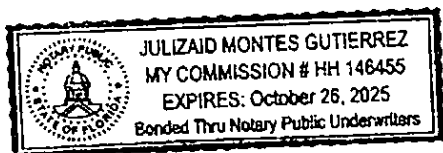

Please feel free to reach out if you should have any further questions and/or need further clarification.

Thank you for your time and attention with this matter.

Yours Truly,

Diana Rivera
