To Whom It May Concern:

I am sending this letter to inform the Division of Corporations that my business, "The Little Flower, LLC" Document# L22000307460, was fraudulently voluntarily dissolved on 09/21/2022. I was made aware of this on 02/17/23 when I tried to file the annual return. An individual by the name of Stephanie A. Kubeck-Ferro filed the voluntary article of dissolution and electronically signed the form as an "authorizer". This report is fraudulent. Upon further investigation it appears that Ms. Kubeck-Ferro had a business called "The Little Flower Company, LLC", Document# L18000273696, which was administratively dissolved on 09/24/21. Please advise me on the next steps for getting my business back in good standing and active. I would like to be contacted by whomever is assigned to this case. I would also like to know how the voluntary dissolution was granted, as I am the Registered Agent and am the only individual listed on all business documents. Furthermore, I do not believe that I should be required again to pay the filing fees for my license to be reinstated. I appreciate your time and attention to this matter.

Thank you,

Keri Bell
