STATEMENT OF FACTS

To Florida Dept. of State, Division of Corp,

Regarding document #L22000313316. This statement of facts needs to be added to the records of the amended Annual Report. On October 16th 2023 a removed LLC member amended the corporate structure of Puppy Cuts Pet Spa without other member knowledge, vote or meeting to amend her position to managing member with complete authority for all decisions.

Once this change was granted on 10/23/23 she proceeded to then fire another partner by text and moved \$20,000.00 from the business checking account to her personal savings without authorization from other members. Along with changing locks at the business location. This all was without any other acting member aware of any of Susan Tremmell's diabolical, unprofessional actions when there was no company rules governing the operations. Your attention in this matter is greatly appreciated.

Sincerely,

Debra Hornfeldt, CEO
