Against Adam Boulineau and Southside Outdoor Services, LLC

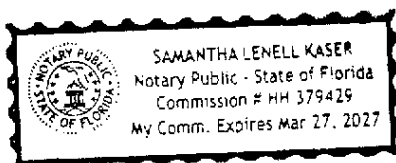

400408344484

I Lynette Rivera Norrbom, am writing this Statement of Facts to advise the state of Florida that Adam Boulineau fraudulently remove my name from a business that we started "Southside outdoor services LLC" on August 8, 2022. This was a gift for my son Nicholas Koch for his graduating high school. This business was designed under the intention of Nicholas Koch running the residential clients home maintenance. Unfortunately, on March 31, 2023 Adam Boulineau came to the residence of 708 Grove Park Blvd, which was the business address and emptied out the warehouse of all of the equipment. Him and my son have been gifted from family to make sure this business was running smoothly. All of the money in the business account should've been divided between all of the business owners. Once we decided as a company to no longer be a part of. Which never happened in Adam Boulineau stole everything that we have worked hard for from underneath us. We have started an investigation, with the Jacksonville sheriff's office case number 314096.

Respectfully,

Lynette Rivera Norrbom
