Against Adam Boulineau and Southside Outdoor Services, LLC

I Nicholas Koch, am writing this sworn affidavit to advise the state of Florida that Adam Boulineau fraudulently remove my name from the business that we shared, Southside Outdoor Services LLC. He also took all the savings that we both shared in Southside outdoor services. LLC's name, this incident happened when he departed the residence of 708 Grove Park Blvd. on March 28, 2023. He also came back to the residence without permission on March 31, 2023, after being told not to and took all the business equipment. This business was created as a family business to help me grow and learn as entrepreneurs, but my dreams and prayers were stolen from me from Adam Boulineau. I am an 18-year-old kid, who was looking for guidance and a mentor and was robbed blind of everything. I am unable to successfully run a business now that this happen because of what Adam Boulineau fraudulently did.

Thank you for understanding,

Nicholas Koch
