To whom It may concern,
Good morning!

I, Alessandro Ferreira Pierassol and my wife Fernanda Cristina Chagas Pierassol would like to report a fraudulent action made in our company 4Best Solutions LLC e EIN 30-1330694 on 11/13/2024 by and unknown and unauthorized person named BECKS, TYLER D.

My wife and I have owned this company since 11/07/2022 and we haven't added any directors since then.

We would like to have this person BECKS, TYLER D immediately removed from our company registry, before we have to take legal actions.

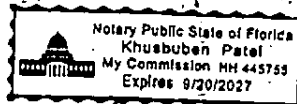

We would like to clarify an information received by phone, about us having to pay a fee to reactivate our company under our name again, which is a completely absurd, once we have never authorized any of this.

Best regards,

Alessandro Pierassol
