Re: Statement of Fact

To whom it may concern:

Please consider this letter as the Statement of Fact advised in the attached email, dated 1.9.2023 from Beverly Bailey, Office of Citizen Services. This is in regard to a misuse of a credit card my wife, Lianne Bishop, and I share. The facts are thus:

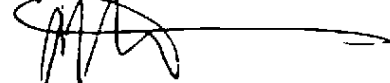

On 12/23/2022, my wife, Lianne Bishop, noticed an unauthorized charge for sunbiz.org in the amount of \$160 on 12/13/2022. We reported this to our credit card company immediately. On 12/27, when government offices opened from the holiday, she called and emailed with the Secretary of State for Florida's office (emails enclosed). The Division of Corporations reported the charge to our credit card was for the creation of an LLC. The new LLC filing appears to be for REPO VUONG LLC L22000621853. My wife made a fraud report to the FL Attorney General's Office on 12/27/2023. My wife also made a phone call to the Clearwater Police on 12/27 and was transferred to the "Fraud Line". She left a voicemail and this call has not been returned as of the date of this letter.

There were similar credit card charges in Massachusetts and we have pursued reports there as well. A fraud report was filed on 12/27/2022 with the MA Attorney General's Office. A police report was filed with the Boston Police Department on 12/27/2022 (#222099955). It was assigned to Detective Brendan McIntyre.

Please have this letter further the record on behalf of myself and my wife that we did not authorize this charge nor authorize use of our credit card by anyone outside of the two of us. We have no connection or knowledge to this LLC nor Peter Vuong.

If further details are needed, please contact us via email at Lianne_bishop@yahoo.com or by phone at 617.835.7389.

My best,

Daniel MacIsaac
