Dear Secretary of State,

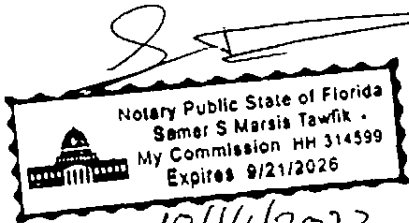

My name is Svetlana Levchenko and I need to inform you that my name and address were used without my permission and knowledge in registering the Superior Design Products LLC. Which now is under substantial debt and legal liability.

I ask to remove my name from the records and investigate Inna Kukueva if it needs to be, as the original owner of Bornt Enterprise Inc./Superior Design Products LLC and who used my personal information without my consent.

Sincerely,

Svetlana Levchenko.
