II. PURPOSES AND POWERS

In addition to the powers authorized by the laws of the State of Florida for limited liability companies, the general nature of the business or businesses to be transacted, and which the limited liability company is authorized to transact, shall be as follows:

1. To engage in any activity or business authorized under the Florida Statutes.
2. In general, to carry on any and all incidental business; to have and exercise all the powers conferred by the laws of the State of Florida, and to do any and all things set forth in these Articles to the same extent as a natural person might or could do.
3. To purchase or otherwise acquire, undertake, carry on, improve, or develop, all or any of the business, good will, rights, assets, and liabilities of any person, firm, association, or corporation carrying on any kind of business of a similar nature to that which this limited liability company is authorized to carry on, pursuant to the provisions of these Articles; and to hold, utilize, and in any manner dispose of the rights and property so acquired.
4. To enter into and make all necessary contracts for its business with any person, entity, partnership, association, corporation, domestic or foreign, or of any domestic or foreign state, government, or governmental authority, or of any political or administrative subdivision, or department, and to perform and carry out, assign, cancel, or rescind any of such contracts.
